The following peony plants are grown in fields that are cultivated only for the sale of plants. Flowers are not cut from these fields.

Divisions are taken from 2 to 4 year old plants that are grown on "new" land. We rogue our fields while they are in bloom to be sure that varieties are true to name.

Other varieties not listed are available in small quantities. Write for prices on large quantities.

Special Collection for Retail Sales: 100 strong 3-5 eye divisions, by color, for \$35.00 (40 red, 30 pink, 30 white). These are to be doubles, unless you request otherwise.

We begin filling orders early in September and continue until approximately the 1st of November. All stock is state inspected, strong 3 to 5 eye divisions, and guaranteed true to name; but we are responsible for no more than the purchase price. We ship only healthy roots dug from our plant fields, especially grown for the sale of plants only.
